

"Professional" stand

Top view

Front view

"Professional" stand construction consists of:

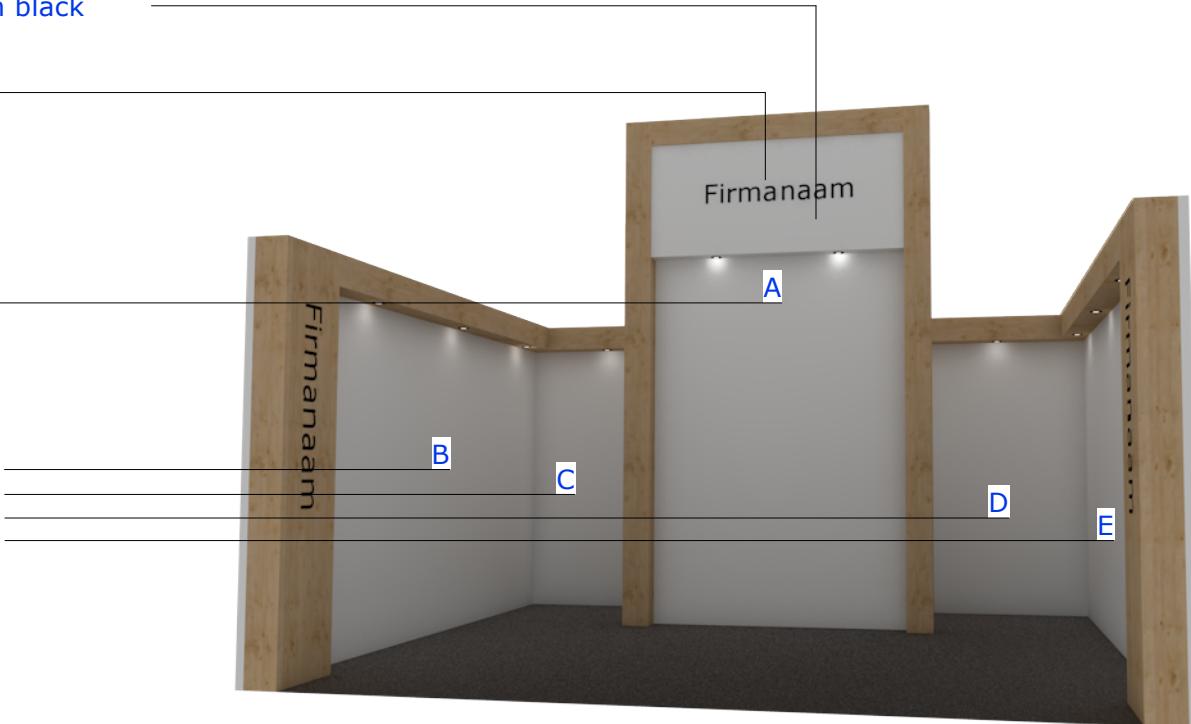

- Escolita carpet tiles in color of choice incl. cover foil.
- Walls and door panels in a wooden construction 250cm high with a white flannel finishing.
If you want a different color, this is possible in consultation with Lasso.
- Door panels.
- Coving of 20x20cm along the back and side wall in natural wood.
Uprights of 20x50cm at the ends of the back and/or side wall in natural wood.
- Eyecatcher wall 200x400cm, with cove construction all around in natural wood.
- White wooden panel 200x90cm at the top of the eyecatcher wall for mentioning the name in black letters
- 2 x spot on arm on top of the eyecatcher wall.
- Built in spotlights in coves along the back and/or side wall.
- 3 x company name; 1x on eyecatcher wall and 2x on the end walls in standard font black, max 25 letters

Please note: in the "professional" stand construction walls may be screwed to hang something, but no holes etc. should be made.
Costs for a damaged wall are € 100.00 per wall

Additional options on request:

- Extra text on logo panel eyecatcher wall of up to 25 letters in black
- Logo of 150x60cm (instead of company name) _____
- Walls covered in a different color flannel
(default is white flannel)
See wall designation below
- Full color print on eyecatcher wall - view size: 200x290cm _____
- Full color print on wall left, back left, right and back right.
Dimensions depend on stand type and size.
See wall designation below. _____
